

BRBC REGISTRATION DEADLINE JUNE 1
 (cancellations prior to June 8 will receive a full refund)
 (please see the Accommodation Reservations page for motel reservation deadlines)

Brits 'Round BC Registration: Registration is important in an event of this magnitude to facilitate planning. Early registration is the only way to assure that you have accommodations. Tour materials will be prepared for all registrants. The registration fee of \$20 includes:

- A BRBC 2008 commemorative licence plate
- Custom maps including accommodation directions
- Daily points of interest you'll enjoy
- Suggestions to enhance your enjoyment of the tour

Accommodation Reservations: BRBC 2008 is during the prime tourist season and passing through prime tourist destinations so early reservations are strongly recommended. Twenty (20) rooms have been reserved at each overnight stop and camping is available within a few kilometres of each motel. Information is available at www.oecc.ca/brbc2008. Registrants will make their own reservations. **February 15 update: Most motels are nearing capacity. If you don't have motel reservations yet, we recommend getting them as soon as possible.** If you have questions or need help finding a motel, please contact the Wagonmasters, Steve Hutchens and Celia Obrecht, 360-733-3568 or sp Hutchens@yahoo.com.

Meals: Meal costs, including meals with OECC branches, are not included in the registration fee.
