## BATS 1V ROUTE GUIDES AND ATTRACTIONS

### Saturday June 27

Ferry should arrive from Sidney to Anacortes about 2:10

From Ferry Terminal in Anacortes to Fidalgo Country Inn, 7645 State Route 20, Anacortes, WA 98221 US.  
Check-in 3:00 pm

Just go east on Route 20 (SPUR) for 7.87 miles and it will be on your right.

Suggestions for the rest of the day:

Go East on Route 20 and make a right for Oak Harbor on Whidbey Island. Stop and view Deception Pass and maybe go into Deception Pass State Park. You can then carry on to Oak Harbor. Round trip just over 31 miles. <http://www.parks.wa.gov/497/Deception-Pass>  
Swinomish Casino & Lodge is about 8 miles east on Route 20. This is for those who like Gaming. You can also get buffet meals. <http://www.swinomishcasinoandlodge.com/>

Evening meal. There are lots of restaurants in Anacortes. If you want waterfront then Anthony's-at-cap-sante may suit you. You should make reservations. 360-588-0333  
<http://www.anthonys.com/restaurants/detail/anthonys-at-cap-sante-boat-haven>

If you want local beer and food then you might want to try the Rockfish Grill (We have never been there).  
<http://www.anacortesrockfish.com/>

Or just wander around town and see what takes your fancy!

**While in Anacortes you may want to consider reserving at a restaurant for Friday, July 3, as it could be busy that weekend. See Friday for a restaurant suggestion.**

Another suggestion is, when booking for a few people at the same table, find out what their group seating policy is, as some places add on 18% gratuity and some will only issue one check. Also, when all sitting at a large table together, this often slows down service.

The only restaurant that I will be making arrangements for a group dinner on this trip is at La Presa at Coulee Dam. They have a special room to seat us all and from past experience, the service is great!

Step by step route directions are at the end of each day. They are quite detailed, but are designed to show you our route, which you can check against a map. Those with GPS's can plan the route ahead of time with all the stops.

Monday, June 29

Today our final destination is Columbia River Inn, 10 Lincoln Ave, Coulee Dam, WA 99116 US

As this is only 121.77 miles you may want to make some stops along the way or spend more time in Leavenworth. Plan your day on what interests you on the suggestions below.

There will be a driver's meeting outside the main entrance at 8:45 to find out who will be leaving Leavenworth or staying a little longer and making their own way to Columbia River Inn.

Either way, here are some suggestions for places to stop along the way.

We shall be going through Waterville where you might want to have a morning coffee, take the historic walking tour or visit the thrift store. See link below:

<http://www.watervillewashington.org/thingstodo.html>

After Waterville you may wish to stop at Sun Lakes Dry Falls State Park

<http://www.parks.wa.gov/298/Sun-Lakes-Dry-Falls>

Afterwards we shall reach our destination in Coulee Dam. Lunch is on your own, either a picnic or restaurant. If stopping for a picnic at maybe at Sun Lakes Dry Falls State Park, then purchase supplies beforehand.

Once you reach our destination, there is a lot to see. Of course, the main attraction is the Coulee Dam. There is a visitor centre where you can inquire about dam tours.

As the area tends to get very hot, you may want to cool off in the pool at Columbia River Inn.

Tonight we shall have a group dinner at La Presa – Authentic Mexican Restaurant. Those on BATS II had a good time here in 2009. They do have a few American dishes for those who definitely do not like Mexican food. The link is below is where you can find the menu. Reservations will have been made for 6:00. <http://www.lapresamex.com/#!>

Starting at 10:00 there is a free laser show on the walls of the dam. Take your chairs or blanket and make your way to the lawns below the visitor centre where they have the sound system.

Tuesday, June 30

Today our final destination will be Mountain View Lodge, 25 Wapato Point Parkway, Manson, WA 98831 US where we shall be staying for two nights. Check-in time begins at 3:00

We shall be going on some smaller county roads and sometimes a little back tracking. Never-the-less, total driving time is 2 hours 42 minutes. It might be advisable to follow someone with a GPS, which should be programmed first for Mansfield.

When planning for yesterday I discovered the Orondo Cider Works and decided to leave that for today. Sounds like a good place to stop. Read some of the reviews:

[http://www.tripadvisor.ca/Attraction\\_Review-g58659-d1134518-Reviews-Orondo\\_Cider\\_Works-Orondo\\_Washington.html#REVIEWS](http://www.tripadvisor.ca/Attraction_Review-g58659-d1134518-Reviews-Orondo_Cider_Works-Orondo_Washington.html#REVIEWS)

Next we shall back track a little and make our way to Lake Chelan State Park. This sounds like a good place to spend sometime and maybe have a picnic lunch. Supplies could be purchased at the rondo Cider Works.

<http://www.parks.wa.gov/531/Lake-Chelan>

We shall then back track again along the south end of Lake Chelan and then make our way along the north side of Lake Chelan to our destination which is only 27 minutes from the park, so you might want to spend some time in Chelan first. Maybe make enquires about Lady of the Lake boat tours for tomorrow. Some people did this in 2009 and had a good day. <http://www.ladyofthelake.com/>

Mountain View Lodge has great BBQ facilities, so if a BBQ with other BATS participants appeals to you, then there is a grocery store close by.

<http://mvlresort.com/activities/outdoor-pavilion>

If this does not appeal to you, then there are restaurants close by.

Friday, July 3

Final destination will be where we started in Anacortes at Fidalgo Country Inn, 7645 State Route 20, Anacortes, WA 98221 US. Check-in time 3:00

Winthrop Inn serves homemade scones each morning.

Drivers meeting will be around 8:30 by our car.

As it only takes about 3 hours to get to Anacortes you will have lots of time to see and do things along the way.

Seattle Light offers boat tours on Diablo Lake. This has to be reserved ahead of time and check-in is at 10:30. It takes about 1 hour 13 minutes to get to Environmental Learning Centre near the Diablo Dam. The tour ends at 3:00 and from there it takes about 1 hour 40 minutes which would get you to Anacortes by 5:00. See links below for more information.

Or maybe some of you would like to stop in Burlington at the Outlet Mall. Just turn left onto South Burlington Avenue from Hwy 2 as you enter Burlington.

Suggestion for evening meal. 13 Moons. This is located on Casino Drive. If this appeals to you, then reservations should probably be made when you are in Anacortes on June 27 as this is the July 4<sup>th</sup> week-end.

There are two sailings from Anacortes to Sidney

2:50, which goes direct to Sidney, arriving at 5:00

I would imagine we would all take the 8:25.
