

Brits 'Round B.C. 2025

Hi folks, welcome to Brits 'Round BC 2025 (BRBC 2025). We are Mike Roberts, Hugh Richards and Doug Bower of the Vancouver Coast Branch and we have taken on the planning tasks for this year's run. BRBC 2025 will commence on Monday, June 16, 2025 in Abbotsford and end with a Barbecue on Tuesday, June 24, 2025 in Princeton.

Hugh Richards will be the Wagon Master leading the runs and he and Mike Roberts will be Co-Wagon Masters for all other aspects. Doug will not be going on the run but is the key contact for registration and various preliminary details.

For those of you who might not be familiar with the Brits 'Round BC tours, a brief bit of history. Brits 'Round BC was first run in 2005 and was meant to be an annual affair but after the 2006 run it was decided to run it every two years instead. Since then, every two years sees a new BRBC with a new route and Wagon Masters. Each run is typically 10-12 days in duration. This will be the tenth tour.

The main purpose of the BRBC runs is to get out and drive in our old English cars and see some of our beautiful Province, all in the company of our fellow like-minded British car enthusiasts. The Brits 'Round BC runs are a great way to get to know club members from other Branches as well as we visit each Branch on our route.

We have enclosed a basic route map for this year's run plus a list of accommodations. More detailed route maps and additional details will be provided to entrants closer to the departure date. We would suggest that you book your hotel rooms as soon as possible to ensure you get accommodation.

The cost of registration will be minimal and is just to cover the costs of the traditional Brits 'Round BC "licence plate". Route details will be emailed to participants once ready. We will collect this fee at the start of the tour. Estimated cost shouldn't exceed \$30 per vehicle.

Please confirm participation to Doug Bower at sharpshooter@telus.net, his cell is 604-861-3684. After determining participation, please book accommodation immediately to secure your bookings.

Let us know your name (or names if more than one person is going), what part of the tour you will be participating in, year, make and colour of car you intend to bring, preferred email, and your cell numbers. Thanks, we hope to see you on the tour!
